

Bureau of Disease Control  
 TB Control Program Logic Model  
*Desired Outcomes and Metrics*

<b>Tuberculosis Control</b> <ul style="list-style-type: none"> <li>All tuberculosis cases are identified and treated</li> <li>Fewer Onondaga County residents experience tuberculosis</li> </ul>
<b>Metrics</b> <ul style="list-style-type: none"> <li>% of LTBI cases who complete treatment annually</li> </ul>

So that...

<b>Safe Practice</b> <ul style="list-style-type: none"> <li>Program environment encourages and monitors safety for clients and staff</li> </ul>
<b>Metrics</b> <ul style="list-style-type: none"> <li>Quarterly number of cases in each case managers' caseload</li> <li># of annual staff trainings completed</li> </ul>

<b>Case Management</b> <ul style="list-style-type: none"> <li>TB cases complete necessary treatment</li> <li>TB cases are educated on disease prevention</li> </ul>
<b>Metrics</b> <ul style="list-style-type: none"> <li>% of monthly clinic appointments kept</li> <li>% of patients who complete testing quarterly</li> <li>% of newly diagnosed patients who complete treatment within 12 months (among those for whom 12 months or less of treatment is indicated)</li> <li>% of patients who receive education on disease prevention quarterly</li> </ul>

So that...

So that...

<b>Case Identification</b> <ul style="list-style-type: none"> <li>Latent and active TB cases are identified early</li> </ul>
<b>Metrics</b> <ul style="list-style-type: none"> <li>% of TB patients with contacts identified</li> <li>% of TB patient contacts evaluated for infection and disease</li> <li>% of immigrants and refugees designated as Class A or B who are evaluated within 90 days of notification</li> <li>% of TB patients with a documented HIV test result</li> </ul>

<b>Data Collection and Reporting</b> <ul style="list-style-type: none"> <li>Complete, accurate and timely tuberculosis data are readily available</li> </ul>
<b>Metrics</b> <ul style="list-style-type: none"> <li>Monthly percent of TB "Gold Sheets" that are recorded accurately</li> <li>Annual percent of TB data reports submitted on time to NYSDOH</li> </ul>

So that...
